

30 Years of Economic Development Fundraising Experience

Are you looking to elevate funding for your organization? You're in the right place! At RDG, we **ONLY** work with EDOs and Chambers, and raising funds is our expertise and passion. At RDG, we build organizations that build communities!

Why RDG?

Whether you have a dedicated fundraising staff or not, and no matter the size of your community, RDG offers innovative solutions to elevate your revenue development and reinforce ROI to investors.

Our team specializes in crafting customized solutions for each situation, whether you're a startup or in your third (or eighth) funding cycle. Whatever your goals, we have the experience and expertise to make them a reality.

Why Choose Us?

Industry Specialization and Proven Results

- We only work with economic development organizations and Chambers of Commerce, period
- We excel in working with the largest EDO'S and Chambers in US metros, but bring this same expertise successfully to bear working with single-county entities
- Over \$2 billion dollars raised over three decades for communities just like yours

Team Expertise

- Our firm executives are involved in every engagement from start to finish
- Our teams' professional roots in the EDO and Chamber industry run deep
- Our national footprint positions our team to be steeped in industry best practices
